The Quiet Night Orchestra

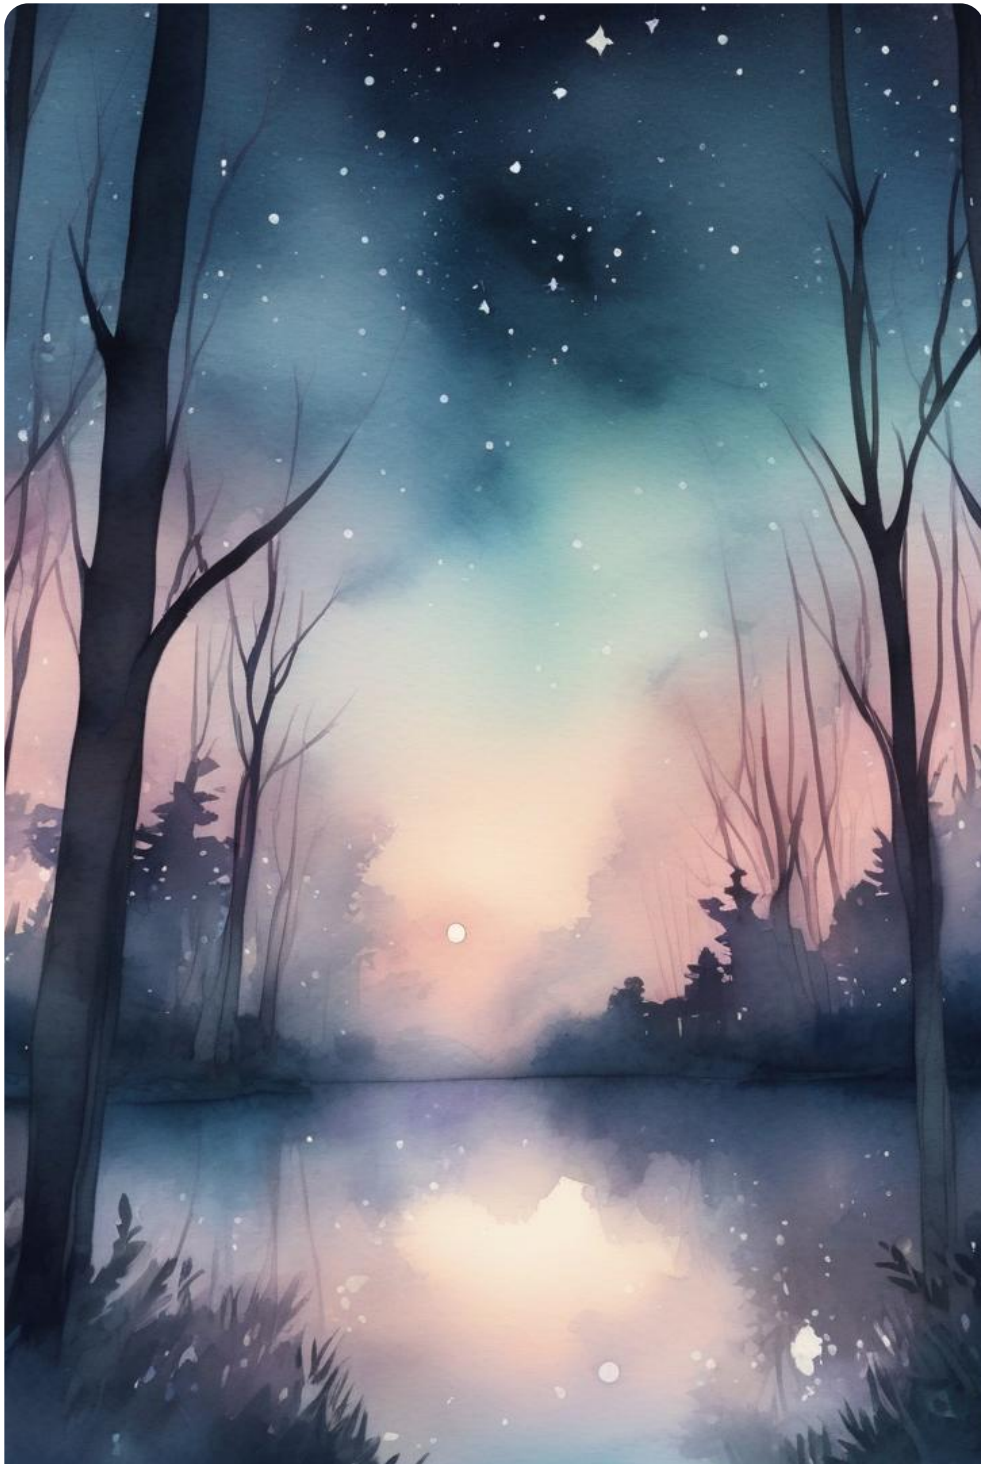

As the moon rose high, Ollie the Owl opened his eyes.

The Quiet Night Orchestra played on till dawn.

In the quiet of the night, peace embraced the forest.

Luna the Firefly danced around with her golden light.

Freddy the Frog croaked a deep, calming rhythm.

The stars twinkled in tune with the sleepy melody.

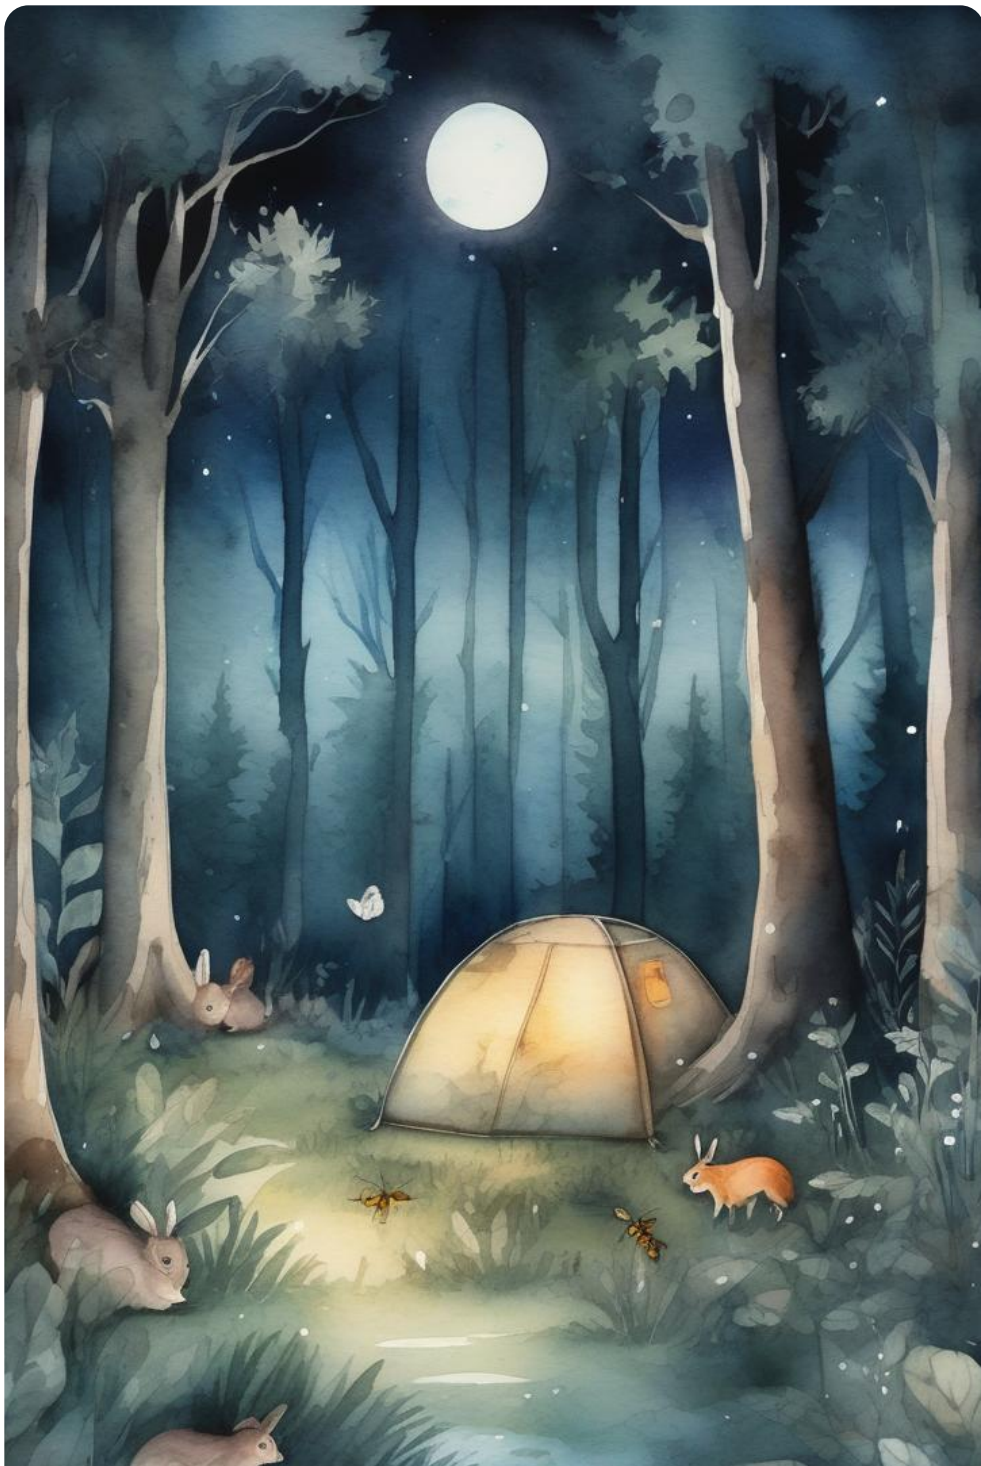

Every animal listened and drifted off to sleep.

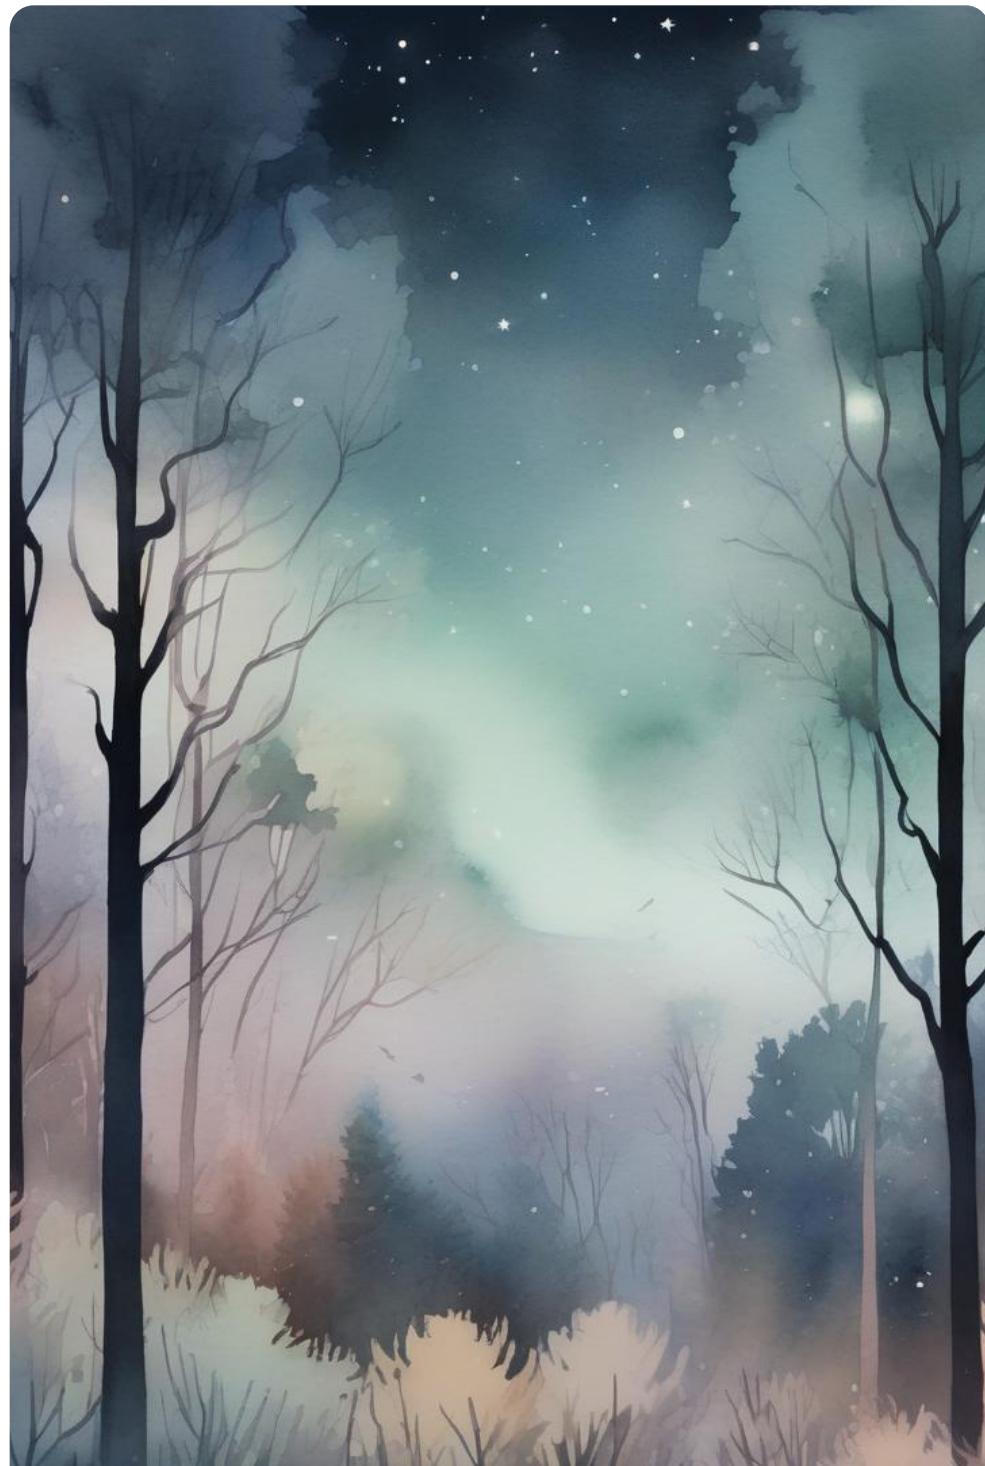

Nina the Nightingale sang a soft, sweet lullaby.

Together, they created the Quiet Night Orchestra.

The forest was filled with their gentle symphony.
